#### What on Earth

Is the reason people will not, can-  
not, or do not see any difference in  
cheap nos trums put up by Cheap  
John houses or irresponsible parties  
at enormous profits, rather than  
take a medicine of world wide repu-  
tation and one that is giving uni-  
versal satisfaction at equal price?  
No medicine in the world is giving  
such unparalleled satisfaction for  
purifying the blood as BEGG'S  
BLOOD PURIFIER & BLOOD  
MAKER, and every bottle that  
does not do its work, will cost you  
nothing. W. H. Chedie, Druggist

#### How Can Parents

allow their children to cough and  
strain and cough and calmly say:  
"Oh! its only a little cold," and  
keep giving them cheap and dan-  
gerous medicines, until they are  
down with lung fever or con-  
sumption, when they can be so  
easily relieved by BEGG'S CHER-  
RY COUGH SYRUP? It has no  
superior and few equals. W. H.  
Chedie, Druggist.

#### For Rent

ser and Plaza streets, immediately  
opposite the Capitol. Apply on

sume operations next Monday.

other in San Francisco at a lively  
rate.

Steamboat Springs was demolished  
by Sunday's gale.

Attention is called to the assess-  
ment notice of the Inyo Canal Co.,  
on the fourth page.

nected with mining affairs, died in

imens of workmanship.

When buying your meat go to the  
new market, where of both quality  
and quantity you will get your  
money's worth every time.

All the cattle and sheep in Nye  
county are reported as doing well,  
and it is thought the losses in that  
locality will be very light.

One hundred and twenty miners  
were imprisoned by a colliery ex-  
plosion in England yesterday and it  
is feared they cannot be saved.

Judge Lorenzo Sawyer, who de-  
cided the famous debris case, may  
resign shortly from the Federal  
bench and retire on his pension.

The members of the W. C. T. U.  
will meet at the M. E. Parsonage  
this Friday afternoon at 2 o'clock.  
A full attendance is requested.

P. T. Folsom, Sec.

The disappearance of the snow  
and the arrival of old Sol upon the  
scene has made the fields and lawns  
assume an elegant green coat which  
bids fair to be their wearing apparel  
for some time.

R. Saddler, of Eureka, says that  
he believes the losses of cattle are  
not as bad as reported. He has a  
number of men looking after his  
horses and cattle and they have  
not made reports to him of any of  
his cattle dying.

Our merchants say that business  
has improved greatly since the  
blockade was raised. They predict  
good business from now on. As  
one of our leading merchants said  
yesterday, "We are entering into  
an era of prosperity."

The new fandangle epidemic  
seems to be wearing out in the  
newspapers and folks don't have to  
tumble over the name in their  
daily conversation. The disease  
will disappear before it becomes  
certain to the unlearned public,  
whether to say La Grippe or La  
Greep, Law Grippy or Lay Grip-  
pee.

A SAD AFFLICTION.—The many  
friends of Mr. Dan Lyons in this  
State will be sorry to learn of the  
terrible blow that has fallen upon  
him in Honolulu. Inside of thirty  
days he lost his wife and three  
children. Only those who know  
him intimately can realize what a  
crushing weight lies on his brave  
and tender heart. His life was a  
constant devotion to his family.  
There remains Dan and Florence,  
aged ten and six, to soften the  
father's sorrow.

DIED FULL OF YEARS.—Thomas  
Huffaker, father of the Huffakers,  
died at his home in Wayne county,  
Kentucky, January 22, at the ad-  
vanced age of 75 years.

## A SWINDLING CONCERN.

### The American Building and Loan Association of Minneapolis.

The papers are publishing the  
report of the Bank Examiner Ken-  
yo, of Minnesota, to the Governor,  
relative to the American Building  
and Loan Association of Minneapo-  
lis. As the Association did consid-  
erable business in Carson and may  
swindle several citizens, the APPEAL  
suggests that if there be any who  
do not believe in the swindling  
character of the concern that they  
procure a copy of Examiner Ken-  
yon's report and be convinced.

It is shown by the books of the  
Association that its net expenses  
since its organization in May 1888,  
have been \$460,520.75, and its  
total profits \$78,513.79, making a  
net loss to the stockholders of  
\$382,006.96. Of the assumed profits,  
one-third is derived from the  
lapses, and of the 343,771 shares  
of stock carried on the books of  
the Association, nearly one-half is  
worthless, 77,000 shares having  
paid nothing but the entrance fee,  
and over 66,000 shares having been  
forfeited.

The Minneapolis Tribune de-  
nounces the Association as a rotten,  
law-breaking and fraudulent con-  
cern.

FROM THE LUNDY INDEX.—The  
May Lundy buildings were cleared  
of snow a few days ago, and next  
morning it was eight feet deep on  
them....Nay's teams have been  
absent from Lundy about three  
months. They might have made a  
trip to China and back in that  
time....Between the post-office  
and the residence of A. C. Butter-  
field the snow is twenty feet deep  
on a level. The tips of the cotton-  
woods are visible only at long in-  
tervals....Halt a dozen horses on  
snowshoes would soon break a road  
into this canyon, but it would fill  
up again in an hour.

#### Death of Mrs. Desmond.

The following dispatch speaks for  
itself:

SAN FRANCISCO, Feb. 6th.

Jacob Webber.—Mrs. Desmond  
died at half past four o'clock this  
morning.

JACOB KLEIN.

Mrs. Desmond was formerly Miss  
Lou Klein, and was the eldest  
daughter. She had a host of  
friends in Carson and San Francisco,  
and her death is a sad blow to her  
parents and husband.

#### WINTER'S RACERS GOING EAST.

A dispatch from Sacramento says:  
Joseph Courtney, who has charge  
of Winterers' horses, located at  
Reno, Nevada, is in Sacramento.  
From him it is learned that Mr.  
Winters will ship ten head of his  
racers to Nashville, Tenn., from  
Reno, on either Wednesday or  
Thursday of next week. Winters's  
Eastern division—that is at West-  
chester, New York, in charge of  
trainer McCormick—will join the  
now comers as soon as possible after  
their arrival.

#### THE RAGING CARSON.

The Carson river has been so very much  
swollen from the rapidly melting  
snow that the flats at Empire are  
submerged and the lower portion of  
the town bordering along the river,  
is flooded. Yesterday the flood had  
backed up so as to stop the Mexican  
and Morgan mills from working.  
The result was that the miners in  
the Crown Point and Belcher mines  
had to be knocked off again until  
the flood subsides.

#### A PLAIN SPOKEN EDITOR.

The Shasta county, Cal., Courier says:  
Now that the desperado who shot  
and intended to murder the Portu-  
guese at Sisson a few days ago for  
the few dollars he was supposed to  
have on his person has been ar-  
rested, it is to be hoped that he  
will have a speedy trial and get the  
extreme penalty of the law. He  
ought to be lynched.

#### STOCK EXCHANGE COMMITTEES.

Secretary Noble has decided that  
a married woman can make timber  
land entries or purchase such lands  
in the states of California, Oregon,  
Nevada and Washington, provided  
that it is conclusively shown that  
the entry is made for her own use  
and benefit, and not for the benefit  
of herself and husband jointly.

Get your meat at the new market  
and save 50 per cent. Opposite  
the Capitol. j43t

JOE GRISMER.

"The Tigress" a play in a pro-  
logue and four acts, was produced  
at the Bush Street theatre last  
night for the first time in San Fran-  
cisco, and received the attention of  
a large and critical audience. The  
present acting version follows the  
book pretty closely. Mr. Grismer  
personates, with a strong and fairly  
sustained accent, the Italian ad-  
venturer, whom he makes an im-  
pressive character, very like the  
polished rascal described in the  
book. Miss Phoebe Davies as the  
deceived and abandoned flower girl  
of the prologue and governess of the  
play, has a role in which her best  
qualities find scope, and in some of  
the scenes with Stella shows a re-  
markable power and intensity. Miss  
Isabelle Archer, who plays the  
"Tigress" comes near in appear-  
ance and manner to the "willowy  
blonde" of the novel.—Report.

NEVADA'S MASCOT.—The Mascot  
Mining Company has been incorpo-  
rated, to operate in the State of  
Nevada, with \$10,000,000 capital,  
of which \$101,480 has been sub-  
scribed—\$99,980 by David Hunter.  
The directors are William Guage,  
David Hunter, Herbert Spencer,  
H. W. Walter and L. C. Frazer.

#### Cough! and Cough! and Cough!

What in the world is the reason  
you will cough and keep coughing  
and still keep trying inferior medi-  
cines when BEGG'S CHERRY  
COUGH SYRUP will positively re-  
lieve your cough at once? This is  
no advertising scheme, but an ac-  
tual fact, and we guarantee it. W.  
H. Chedie, Druggist.

ADVICE TO MOTHERS.—Mrs.  
Winslow's Soothing Syrup  
should always be used for children  
teething. It soothes the child, soft-  
ens the gums, allays the pain, cures  
wind colic, and is the best remedy  
for diarrhoea. Twenty five cents a  
bottle.

Language is hardly strong enough  
to express my admiration of the  
merits of Chamberlain's Cough  
Remedy. It is the best remedy for  
croup and whooping cough I have  
ever used. During the past eight-  
teen years I have tried nearly all  
the prominent cough medicines on  
the market but say, and with  
pleasure too, that Chamberlain's  
Cough Remedy is the best of all.  
THOMAS RHODES, Bakersfield, Cali-  
fornia, For sale by G. C. Thaxter.

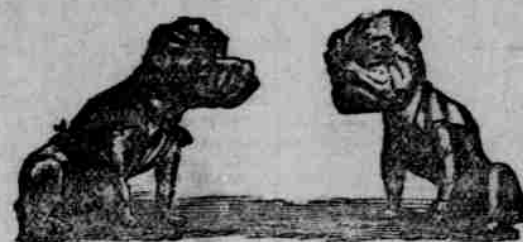

The fact has been abundantly  
proven that Chamberlain's Cough  
Remedy is the most prompt, most  
reliable and most successful medi-  
cine yet discovered for acute throat  
and lung diseases, such as coughs,  
colds and croup. For sale by G.  
C. Thaxter.

While Will Wright is still with  
Peterson, at the gallery over Thax-  
ter's, special attention will be  
paid to enlarging of portraits. Mr.  
Peterson has done some very fine  
work in this line, which can be  
seen at the gallery. The public is  
invited to call and inspect same. j2

The Boyd brothers have offered  
the finest meats obtainable to their  
customers and as they raise their  
own beef, veal, mutton and pork,  
they can not only select the most  
choice meats but can place it at a  
very low rate. The boys are well  
known throughout this section and  
will endeavor to please their cus-  
tomers. j29t

M. W. H. Baldridge, druggist  
Escudido, California, says: Cham-  
berlain's Cough Remedy is the best  
selling medicine I handle. In fact  
I sell more of it than all other  
cough medicines combined. Every-  
one who has used it speaks in glow-  
ing terms of its efficiency. For  
sale by G. C. Thaxter.

GEO. HARK.

Beef, Lamb, Mutton, Veal, Sausage, Etc

My facilities for purchasing good beef are second to none in the state, and on  
meat can always be assured of the best in the market.  
This market was the first to introduce the cold storage process, by  
which meat can be kept a week in the hottest weather. Our cold storage room  
is the largest and most perfect in the state.
